

# COVID -19 and VACCINES: Where are we now?

## Next Steps:

**ARE YOU ELIGIBLE?**  
Call the New York State COVID-19 Vaccination Hotline at 1-833-NYS-4-VAX (1-833-697-4829). Or visit <https://covid19vaccine.health.ny.gov>

**SET AN APPOINTMENT AND SELECT A LOCATION:** Vaccine distribution centers are run by the State and some local governments. Some distribution sites will be through private partnerships like CVS. For locations go to: <https://covid19vaccine.health.ny.gov>

**COMPLETE VACCINE FORM ONLINE or IN PERSON AT A VACCINE SITE**  
<https://forms.nv.gov/s3/vaccine>

**GET YOUR VACCINE!**  
Remember two shots are currently required: Muscle aches, fever and fatigue for a day or so is possible and a normal response from your body!

## DO YOUR PART TO STOP THE SPREAD

- Wear a Mask When in Public.
- Practice Social Distancing
- Wash Hands Frequently
- Use Hand Sanitizer
- Avoid Touching Your Face
- Disinfect Surfaces Frequently
- Stay Home When Sick

**Cases are Rising.**  
**Act Now**

## VACCINE FACTS

- ✓ The safety of COVID-19 vaccines is a top priority.
- ✓ COVID-19 vaccination will help protect you from getting COVID-19. Two doses are needed.
- ✓ New groups of individuals are added to the eligibility list frequently. Check the NY vaccine website to determine your eligibility.
- ✓ There is currently a limited supply of COVID-19 vaccine in the United States, but supply will increase in the weeks and months to come.
- ✓ Cost is not an obstacle to getting vaccinated against COVID-19.
- ✓ COVID-19 vaccines are one of many important tools to help us stop this pandemic and make you safe.

Showing Symptoms: Fever, cough, shortness of breath, loss of taste or smell, body aches/fatigue, vomiting/diarrhea

**Get Tested and Stay Home**
